COMMENTS TO NOTICE OF PROPOSED RULE MAKING

The Commission has before it the petition for rule making filed by John P. Gillen ("Petitioner") requesting the allotment of Channel 235A to Berlin, Maryland.

The Commission has stated it believes the public interest would be served by proposing the allotment of Channel 235A to Berlin, Maryland since it could provide the community with its second local FM broadcast service. Channel 235A can be allotted to the community in compliance with the Commission's minimum distance separation requirements with the imposition of a site restriction.

The Petitioner presents it's comments on the proposed amendment of the FM Table of Allotments, Section 73.202(b) of the Commission's Rules, for the community listed below, to read as follows:

City	Present	Channel No.	Proposed
Berlin, Maryland	280A		280A, 235A

The Petitioner restates it's intention to apply for Channel 235A at Berlin, Maryland if it is allotted and if authorized, to build a station promptly. The Petitioner further states that he feels as a long time local resident he will present a highly competitive applications on F.C.C. Form 301.

With regards to section 1.52 of the Commission's rules, the Petitioner has enclosed an affidavit.

CONCLUSION

It is respectfully requested that the Commission amend the FM Table of Allotments as requested. The Petitioner feels this change would be in the public interest.

Respectfully submitted,
